Under treasurer's report and audit summary, she reviewed the treasurer's report and the independent auditor's letter which show the district in good standing.

Dr. Buechel Haack gave an overview of the budget summaries, year-end operating cash balances, debt retirement, equalized valuation, state equalization aid, tax levies, the State Trust Fund loan summary, and mill rates. She gave an overview of all funds including 10, 21, 27, 38, 49, 50 and 80. Additionally, Dr. Buechel Haack reviewed the district's preliminary enrollment figures and open enrollment projections.
