Referendum	
Shall the School District of Elkhart Lake-Glenbeulah, Sheboygan County, Wisconsin be authorized to exceed the revenue limit specified in Section 121.91, Wisconsin Statutes, by \$1,467,920 for the 2019-2020 school year, by \$1,560,171 for the 2020-2021 school year, by \$1,698,640 for the 2021-2022 school year, by \$1,843,433 for the 2022-2023 school year and by \$2,175,909 for the 2023-2024 school year, for non-recurring purposes consisting of operational and general maintenance expenses, including, but not limited to, renovating the high school performing arts auditorium, culinary arts classroom and lab stations and updating the high school football/soccer field?	
<input type="checkbox"/>	YES
<input type="checkbox"/>	NO

**A yes vote means you DO support the referendum** and agree to allow the district to exceed the revenue limits for amounts not to exceed those listed in the question, while maintaining a \$8.21 mill rate for all five years of the referendum. With this support, the District will be able to maintain current programs and services, undertake the three projects, as well as continuing to address future technology and maintenance needs as funds allow. A list of projects can be found on the website under Referendum Information. **(Reminder: These amounts in the referendum are the maximum dollar amounts that can be levied and are estimates. Keeping a flat mill rate at \$8.21 for all five years of the referendum will determine the actual amount. This amount is not known until the District's equalized value is determined annually in October).**

**A no vote means you DO NOT support the referendum.** Under this scenario, the District will need to make significant cuts to programs and services, eliminate/postpone the completion of the three proposed projects, and delay technology replacements/upgrades and maintenance projects in an attempt to balance the budget. The District will NOT be able to continue to offer the level of services and array of opportunities and activities it now provides.
