June Vollrath Park - our home for the Elkhart Lake Glenbeulah Athletic Association (ELGAA), as well as, the High School softball and baseball teams. **We are asking for help from the community during the sporting seasons to help out in the concession stand.** All community members, as well as ELGAA programs, benefit

from concession stand sales during the spring and summer months. To maintain this wonderful facility, we need the assistance of all. New this year Varsity baseball and softball season will run simultaneously in the spring. While revenue from concessions supports ELGAA programs, the maintenance of June Vollrath Park relies heavily on this same funding source. We have a calendar of games in the spring and summer that families can sign up. Shifts generally run about 2 to 3 hours at a time. This community service is a perfect way to connect with friends. If you have any questions about helping, please contact Tami (920)427-8559 or Angie (920)979-5632. **Use this link to sign up:** <https://www.signupgenius.com/go/4090948aca92aa1fd0-elgaa1> THANK YOU for your support!
