ELGAA/ELGEF Golf Challenge – P.O. Box 326, Elkhart Lake, WI 53020

Dear Friend of the Elkhart Lake-Glenbeulah Community:

We are excited to announce that the Elkhart Lake-Glenbeulah Education Foundation (**ELGEF**) and the Elkhart Lake-Glenbeulah Athletic Association (**ELGAA**) will again join forces to hold their joint fundraising Golf Challenge event on **Saturday, October 2 at Quit Qui Oc Golf Club in Elkhart Lake.**

The Golf Challenge is a 9-hole or 18-hole scramble that includes hole and team prizes, refreshments, appetizers, raffles and wonderful silent auction items. The event, in its 15th year, having raised more than \$209,000, promises to be a fun-filled day that brings our community together in support of our missions.

ELGAA provides youth sports programs to local families in our community. In addition to the sports programs, ELGAA built and maintains the June Vollrath Park. It is our mission to help the youth of this community maintain a healthy lifestyle and develop positive self-esteem, leadership skills and team-building concepts that will help prepare them for the future.

ELGEF supports the Elkhart Lake-Glenbeulah School District in its mission to provide a caring and innovative learning environment for all of our children. Our main focus is to enrich student academic endeavors and encourage well-rounded students through community and extracurricular activities.

Funds raised by the Golf Challenge will assist ELGAA with the ongoing operating expenses related to maintenance and necessary improvements at June Vollrath Park, enhance our sports programs and provide financial support to families who otherwise would be unable to participate due to financial hardship. ELGEF will benefit equally by using funds raised to make financial and other resources available to the school district to enhance the educational opportunities and related activities that are not ordinarily provided for through the district's operating budget.

A partial list of athletic association projects/foundation grants completed by the two organizations with funds raised from previous outings includes:

- Purchased a new tractor for park and field maintenance (ELGAA)
- Purchased two new scoreboard for upper and lower fields (ELGAA)
- Re-surfaced the softball diamond (ELGA)
- Subsidized player registrations throughout the year for families facing financial hardship (ELGAA)
- Awarded \$28,000 over the last 14 years to graduating seniors (ELGAA)
- Increased all students' global learning by covering the costs for Electronic Field Trips (ELGEF)
- Provided grants for district emergency funds for families with financial needs (ELGEF)
- Provided financial assistance for the purchase of a Funac Robotic Arm, CNC Plasma Table, 3-D printers & a retractable baseball/softball batting cage (ELGEF)
- Subsidized the purchase of updated equipment for use in the renovated culinary arts labs, including equipment specifically designed to accommodate students with special needs (ELGEF)
- Supported Family Meals to Assist with COVID-19 Relief Efforts (ELGEF)
- Purchased Handbells & a Baritone Saxophone for the music department (ELGEF)
- Provided almost \$25,000 in scholarships over the past four years to graduating seniors (ELGEF)
- Provided assistance for purchase of JK-grade 1 Chromebooks to facilitate on-site and/or virtual learning opportunities (ELGEF)

We ask for your support in either the form of a sponsorship and/or participation in our event. **Please remember that ELGEF and ELGAA are 501(c)3 non-profit organizations and 100% of your sponsorship contributions are tax deductible.** Any questions may be directed to either of us or Dr. Ann Buechel Haack 876-3381 (school) or 876-3330 (home). Together, in support of our missions, we all can make a difference in the life of a local child.

Thanks for your time and consideration.

Julia Loo-Sutcliffe, President-ELGEF
