

# MEET BABY AMELIA — FUTURE RESORTER

## ELGS Graduating Class 2037

Experience why generations of families choose ELGS for their children's education. Our comprehensive 3-year old Preschool Program provides younger students a nurturing educational environment to ease the transition into Jr. Kindergarten (4K). The ELGS team approach allows our preschool staff to collaborate with the parents, 4K/elementary teachers and speech therapist to incorporate "best practices" that fit each child's needs. A love for learning is fostered through age-appropriate activities including arts and crafts, music, cooking, computer usage and theatre.

We also offer "wrap around" on-site Child Care services for ages 3-11 from 6 a.m. to 6 p.m. year round - no minimum hours are required. Students move seamlessly from child care to school throughout the day. The flexible hours our Child Care offers is customizable to a parent's personal schedule. Both the Child Care and Preschool programs feature safe, healthy surroundings plus supervised access to the school's library, computer lab, gym, and our awesome inclusive playground.

Interested? Please contact our Child Care/Preschool director, Diane Schwaller. And, to learn how our "team approach" continues to meet your children's unique needs throughout their entire school career, contact either school principal, Debbie Hammann or Ryan Faris.
